And the rain came down...

Road to the dirt track at Broadford

Horsham MCC

So many club events had to be cancelled or postponed this weekend and those that did go ahead really challenged the organisers and the riders. But the track at Wonthaggi seemed to be immune to the watery chaos happening elsewhere in the state and the first round of the motocross club champs on Saturday went ahead in near perfect conditions.

Cappa does the Briefing, the gear is a prize

Korumburra MCC support the event

Me and photographer **Jo** headed down in time for rider's briefing from **Glenn Capuano** and there was a good turn out of riders, including half a dozen quads for the quad class offered this round. The club is preparing for the *ATV MX Nationals* on 8-9th October and this would be a good chance for the four wheelers to get some familiarity with the track. After the briefing it was time for practice and I headed out to do flagging and watering for the day – yes, watering, the track dusted up late morning and it was out with the hoses between races for the rest of the day.

But Jo was out there getting amongst the jumps and whoops to get these shots:

Tom Carroll #31 and Wayne Stewart #43, A Open

Charlie Moller #33, 85SW, heading to the junior nationals

Young gun Mason Semmens and dad Paul

Mason Semmens #3, Junior 250 winner

Mason Semmens #3 is rapidly becoming a household name amongst the motocross community as he continues to dominate in the Junior 250 A Grade, and winning the juniors at the Hattah. He won every race today and got the fastest lap out of anyone (including seniors). He is now off to Renmark in South Australia for the Junior MX National Champs next week – and we wish him all the best and know dad **Paul**, mum **Joanne** and brother **Hunter** will be right there in the pits supporting him.

85 Small Wheel

Junior 125, Race 1

There were a couple of vintage bikes amongst the combined Vets and Enduro class – and the riders also took them out in the Senior Lites – why not!

Col Ellen's vintage RMX250 remained parked whilst he did sweep riding all day

Matt Porteous #548 KX250 and he had a KX125

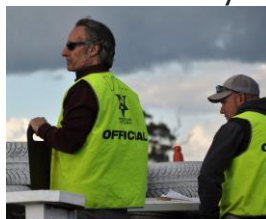

Jason Ladson #620, off to the VMX State of Origin

Jason and Matt in the Lites race

Steve Young is a well known face around the Wonthaggi track having been volunteering with the club for a million years and nearly always seen with his good mate **Rex Lea**. But today was his last day as he and his wife head north to a new life. So thank you Steve for all your help and your friendly happy face everytime we saw you. You will be missed – hope we see you again in the future – we won't make you wave a flag!

2nd in Junior 125, Jaxson Murphy #54

65cc post-race handshake session

Open combined class

I did start to get a twinge of regret that I wasn't out there riding in the Vets class, or that I could take out one of my vintage bikes for the Pre90 VMX class. I'll be back into it soon

enough, but I might be on the lookout for some fast up-coming racer to throw a leg over one of my RMs and shake up the Pre90 class.

Shane Tilley #111 in Enduro Lites showed his mx skill, both in this class and in the Senior Lites

Vets Over 45, fourth place Heath Butler #v20

Denis Casey #v29, wins Vets O45 and 2nd in B Open

Brodie Williams #179

Divvies had a diversion in place to keep things moving

Deakin Hellier #305 and Alex Hasan #453 Junior 125 C Grade

Bringing up the end of the racing day was this plucky and determined Yamaha Divvy

Matthew Woods #M in Open 450 class

85BW Tom Zeldenryk #882, Jordan Jackosn #399 and Jack Gadsden #623

Off road racer Jake Gogol aka Boeing #747 and Jake Adams #673 in Junior 250 class

#548 Senior Lites

Matt Palmer #574 wins C Open

The quads were very exciting to watch – and there was very real and close competition amongst the small group. You really get a sense when watching the quads of how much they have to move around the bike, dragging their leg over the seat in the corners, adjusting the bike constantly to hit the jumps square on – and the whoops section also required great effort to keep the bike in line. These bikes would also jump as high as your average motocrosser. But this is not a poor man's game this quad racing – some of the bikes there today would be \$40k or more.

The **Van Vliet** family (*Four Brothers Racing*) are dominating the Victorian quad scene, with national level quad championship wins, wins at the Finke, and experience in overseas competition. And they don't take no prisoners! Or is that just brothers being brothers.

Harrison #22 and Stu Sculthorpe #128

Matt Barnes #910 and Ash Brady #644 C Open

Racing was all done by about 4pm and it had been a smooth and pretty safe day.

As I was about to leave I popped into the men's toilet to find winner of the Vets Over 45's and second placed B Grade 450 class racer **Denis Casey #v29** sweeping out the men's toilet. Yup, instead of just packing up and heading home he was still working. As were many of the DMCC helpers, closing up the track and cleaning up in the canteen. Great work from everyone there. So big thanks to sponsor *AMX Superstores*, **Glenn Capuano** CofC, **Jason** Assistant CofC, **Daniel Walker**, **Rex Lea**, **Steve Young**, **Gary Hopkins** Steward and the flag wavers, ladies in the sign in, **Trudi** in the scoring tower, first aider **Brannan**, canteen crew – **Darren Pay**, **Frank Gogol**, **Nathan Allen**, **Chris Townsend** etc and **Col Ellen** who must have done 60 laps today as the only sweep to put their hand up.

WATTS

ON AT YARRAM

Yamaha Vic Off-Road Final Round

25th September, Yarram MCC

The final round of the [Yamaha](#) Victorian Off-Road Championships will be a day of sprints for seniors at the Yarram MCC track on 25th September for seniors only.

This looks to be a fantastic final round – head to head sprints on a 5km track with design assistance from enduro legends **Norm Watts** and his son **Shane Watts**, and Shane has announced via Facebook he will be racing:

“Just finished a full day of setting up trail for the VORC Sprint race next weekend at Yarram. It's going to be pretty bloody awesome and I can't wait to race it - don't miss out if you're undecided about coming!!!”

A 2004 KTM200EXC is rumoured to be his weapon of choice as his KTM125 from the 1998 International 6 Day stays in the shed for the time being. And Shane has hinted at a Pony Express at Three Bridges in late October.

Entries and Final Instructions for this last round are at www.mvorconline.com but if you are not entering then come along and spectate (Buckley's Reserve, Morris Road, Yarram) – it's going to be good.

Yarram MCC:

A huge thanks to **Damien Janssen**, **Leigh Bland**, **Travis Finlay Smith**, **Shane** and **Norm Watts**, **Matt** and **Ryan Zygarlicki** for all the hard work today. Also **Alan Lawler** for cooking up lunch for us all. The track is all set, 5.3kms long with a mix of everything. Head to head racing on two separate tracks for the first 1.5kms. Then into tight bush, off camber, grass track, more bush then finishing off with a euro style, flowing test. For those wanting to pre walk the track next

Saturday, it will be open from 12pm. Camping available for \$15 per vehicle. If you have any questions, FB message or text /call **Mick Turnbull** on 0417376483 .

You know, I'm thinking how cool it would be with Shane on his KTM, **Dave Flea Fleming** on a WR200, **Mike Shearer** on a 510 Husky and **Frank Bomber Bonfadini** on the old purple and white KTM300. What are the chances of that?

Now we know there are plenty of our readers born well after the **Shane Watts** championships winning era so here's a brief bio and some pics so you can go up and get his autograph:

Some of the unique accomplishments of Shane's career include:

- the only rider to win the ISDE Overall on a 125cc (1998 at Traralgon Vic)
- first non-American to win the GNCC series
- only rider to win GNCC races on two or more different engine capacity motorcycles (six different capacities in one year)
- gaining a National top 100 number for American Motorcross, and just missing a qualifying position for the Daytona Supercross. In American he was considered the Travis Pastrana of the off-road
- In 2009 Watts broke his back in a "simple, slow-speed fall" fracturing five vertebrae, which required six of them to be fused together. It was stated that doctors first assessment was that he would be unable to ride again. Less than half a year later Watts returned on his bike to place 11th at the Moose Run AMA National Hare & Hound in Red Mountain, California
- Successful coach and trainer, producer of the Dirt Wise instructional DVDs

WE NEED YOUR MEMORIES!

DANDENONG MCC 85TH ANNIVERSARY Year

This year one of Victoria's largest motorcycling clubs will celebrate its 85th Anniversary with a celebratory dinner on Friday 4th November. And to make the evening a true celebration of the club's long and successful history we are looking for your photographs to include in a presentation that will run throughout the evening.

The track at Wonthaggi has hosted many legends in the past – and continues to host many legends of the future – so if you have some favourite shots, scan them and email to us at **SCOOTER NEWS** or send via Facebook. If that sounds too hard then post them to us (you can request our postal address) and we will scan them and send them back to you. It would be great if we could have them by 30th September.

Perhaps you have some old photos from:

- The pits and pit crews
- Camping with your mates
- Volunteers and officials at work
- Motocross racing photos
- Off-road events and pony express events etc
- Photos of the mx track
- Old posters promoting events

The older the better! We've kicked off with a few we have found around the internet:
