He's not getting cover shot just because I work with him occasionally...

Good to see him back on the bike and not on an excavator

When we heard that **Shane** and **Norm Watts** were involved with the layout of the last round of the *Yamaha* Victorian Off Road Championships at Yarram MCC we knew the riders would be in for a treat. 12 kilometers of bunting and 1500 stakes later they had the most technical track of the series. Like a maze zig zagging all over the place, whoever worked this out would be good at orienteering. The amount of effort and preparation that went into this course was incredible. There was pretty much every terrain included in just a few acres of property: thick powder dust, slippery grass track, slimey bogs, hilly bits, single trail in the trees, and motocross.

Me and photographer **Jo** arrived around 9:30am just as the first of the 8 rounds of sprints was finishing on the 4.8km long track. The format was head to head starts and racing side by side for the first part of the track before converging into single trail through a wooded area then out onto the motocross track, traversing over and around the track and right through some challenging boggy sections before heading up the finish straight to the pits.

This was Australian #1 off-road champion **Daniel Chucky Sanders'** last big race before heading off to ISDE in Spain next week and he dominated proceedings – there really isn't a track or terrain in Australia that he cannot handle. But we enjoyed seeing **Lyndon Snodgrass** #3 and **Chris "Wicky" Davey** #7 take on the challenge of chasing down his sub 10-minute sprint times. Being the last round of this 2016 series we thought there might be a relaxing of the pace amongst some of the classes. There wasn't.

As I am still under doctor's orders to take it easy after my hernia operation, me and **Jo** both headed out with the cameras in changeable weather conditions, so here's some of the action.

Chris "Wicky" Davey #7 and **Lyndon Snodgrass #3** both beat Chucky's time on the last sprint, sprint #8. Other than Chucky, Snodgrass was the only other rider to do all 8 laps under 10 minutes, but "Wickdog" still beat him into second place by 7 seconds.

Shane Watts

What a treat for us all to watch **Shane Watts** #13 to ride and race at the ripe old age of 43. 16th out of 103 outright today. To be out of competitive racing in Australia for so long and finish so high up in the grades you can see he practices what he teaches, talks the talk and walks the walk at his Dirtwise schools. Keep an eye on his Facebook page [Shane Watts](#) or his

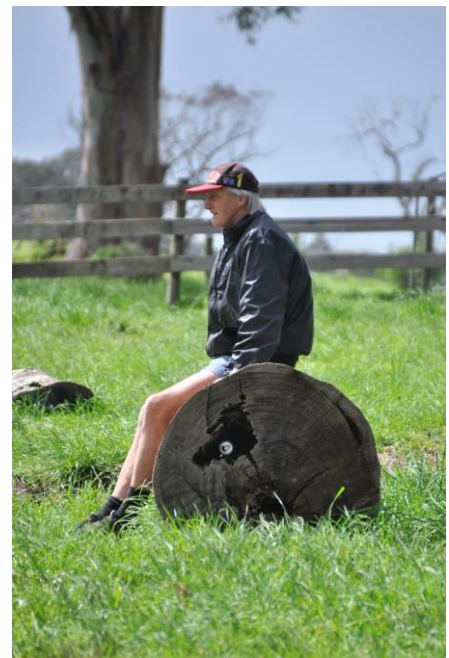

website www.shanewatts.com for Australian coaching dates – there's one in Lithgow NSW at the end of this week. Maybe I should go and do one of his schools?

Shane: Had such a fun day at the Yarram VORC Sprint race trying to not get beat too bad by the young kids ripping out there - boys were going fast! Left there with muscles cramping but a very happy smile!!!!

Shane Watts #13 was 13th in Pro class today

Liam Myers #954 wins his class for 2016, Clubman Over 45 B

Pat Dillon #929, 2nd in Clubman Over 45 B

The last of the 8 sprints finished up about 2:30pm and trophy presentations followed.

Wayne Vandenberg: Another year done and dusted with the Vic Offroad series, came home with 2nd in Over 45A grade at Yarram today, and finished the whole year in second outright, so very happy with that, as the whole season has been very wet and muddy, presentation for the yearly awards is next Friday. 🏁

The day wouldn't have happened with the club's efforts. There had obviously been a huge amount of work gone into preparing for this round so a huge thanks to the track team **Mick Turnbull, Damien Janssen, Leigh Bland, Travis Finlay Smith, Shane and Norm Watts, Matt and Ryan Zygarlicki, Alan Lawler** for keeping the track team fed. Also to the Yarram MCC committee and club members, Clerk of Course **Neil Finlay**, Steward **Peter Bohn**, canteen crew, medical assistance from Event Aid, the VORC team **Chris Gray, Denise Hore, Richard Gates**, the sweeps including **Scott Lewis, Ryan Zygarlicki, Josh Major, Nick Graham, Daniel Rodek**, and help from **Steven Mizzi and Damien Scurlock**.

And we must acknowledge the ongoing support from naming rights sponsor [Yamaha](#) and all the business supporters throughout the championship.

Presentation night for the [Yamaha](#) VORC will be this Friday 30th September at the Manningham Club. And then the long summer break, waiting for it to start all over again!

2016 MXON

Maggiara Park Italy
24-25th September

Some great photos coming out of the MXoN last weekend at Maggiara Park in Italy. The crowds were huge. Our Aussie lads battled it out with the best in the world and despite no podiums they rode hard and will come home with a kit bag full of experience.

RESULTS (really confusing...)

MX Des Nations	MXGP – MX2	MX 2 MX Open	MXGP – MX Open
1. France	1. Romain Febvre FRA	1. Jason Anderson USA	1. Jeffrey Herlings NED
2. The Netherlands	2. Antonio Cairolo ITA	2. Jeffrey Herlings NED	2. Antonio Cairolo ITA

8. Australia	7. Todd Waters AUS	5. Dean Ferris AUS	14. Todd Waters AUS
	35. Mitch Evans AUS	37 20 Mitch Evans AUS	15. Dean Ferris AUS

Todd Waters: It was unreal to be back racing in Europe for the Motocross of Nations, I felt so at home racing with everyone again. My speed was not too bad considering being away for a year and crashing in both Moto's which I'm not happy about. But I had an epic time racing for the green and gold, Aussie Aussie Aussie! 🇦🇺🇦🇺

by Enzo Tempestini

So now our focus turns to the 2016 International Six Day Enduro which is the next time our Aussie riders will be on the world stage so keep an eye on all the action via <http://www.fim-isde2016.es/en/home/>

SNEAK PEAK AT A A4DE TEST

The work has started to mark out the tests and trails for the Australian Four Day in mid November. Dandenong MCC and KooWeeRup MCC headed up to the Merrijig area last weekend:

Photos: Frank Gogol and Terry Corkery

Bryan Noble reports: *DMCC crew with help from KWRMCC boys have been setting out the Wesley test which will be ridden on days 2 and 3. Riders wondering if they should run Moose or tubes this might help you make your mind up. No shortage of rocks around Mansfield. Test will be a true Enduro test about 6 mins long.*

Entries are now open at www.a4de.com.au and volunteers are encouraged to get in contact.

BROADFORD MX TRACK

19

There are two chances to ride the track in October, the Diamond Valley MCC's Motocross Club Day on 23rd October including Pre 80 and Pre90 VMX classes (see poster at the end of the newsletter) and the monthly Broadford Mega MX Ride Day on Saturday 29th October – see the MV website for details. Personally, I can't wait to ride there again – it is up there with my all time favourite mx tracks

And just briefly...

Motorcycling Australia appoints Peter Doyle as CEO

September 22, 2016

Photo: Foremost Media

Mr Doyle's motorcycling career spans more than four decades. From early roles in mechanics he developed a career in motorsport management, and has led moto teams to victory around the world including 14 years coaching and managing teams and riders in the USA. Mr Doyle returned to Australia in 2014 and took up the role of Technical Director. He then became Acting CEO in April this year. Mr Doyle said the focus of the next few months would be around insurance, governance and communication.

"I want to thank the Board, and particularly the members, who have been so forthcoming with their feedback and time. We are listening and working toward meeting the goals they want for us and for the sport."

WE NEED YOUR MEMORIES!

DANDENONG MCC 85TH ANNIVERSARY Year

This year one of Victoria's largest motorcycling clubs will celebrate its 85th Anniversary with a celebratory dinner on Friday 4th November. And to make the evening a true celebration of the club's long and successful history we are looking for your photographs to include in a presentation that will run throughout the evening.

The track at Wonthaggi has hosted many legends in the past – and continues to host many legends of the future – so if you have some favourite shots, scan them and email to us at **SCOOTER NEWS** or send via Facebook. If that sounds too hard then post them to us (you can request our postal address) and we will scan them and send them back to you. It would be great if we could have them by 30th September.

Perhaps you have some old photos from:

- The pits and pit crews
- Camping with your mates
- Volunteers and officials at work
- Motocross racing photos
- Off-road events and pony express events etc
- Photos of the mx track
- Old posters promoting events

The older the better! We've kicked off with a few we have found around the internet:

Details about the Anniversary Dinner are here on the DMCC website:
